About me

A motivated teleinformatics student and aspiring full-stack developer with hands-on experience creating web applications using modern tech stack. I am a quick learner of new technologies and enjoy solving complex problems, both independently and as part of a team.

Education

Poznan University of Technology Master of Science
Teleinformatics March 2026 - present

Poznan University of Technology Bachelor of Engineering
Teleinformatics September 2022 - February 2026

Zespół Szkół Politechnicznych we Wrześni IT Technician Diploma
Computer Science September 2018 - June 2022

Experience

Mindsailors - Poznań
intern

Techkom - Września
intern

Hotel Rodan - Kórnik
waiter (weekends)

Skills

- client communication
- ability to work independently and in a team
- problem-solving
- quick learner of new technologies

Projects

Tepirek Revamped December 2024 - present
This application is designed to streamline clan management in the browser-based game *Margonem*. Access to the website is restricted to members of a specific Discord server or users manually approved by designated administrators. The project is self-hosted.
